WELCOME TO WALSALL COLLEGE

Spread your wings

**In a world that's been changing,
is it time for you to make changes too?**

Maybe it's doing something different, going somewhere you've never been before and following another path.

If so, we can offer you all this - and more
- at Walsall College.

Every year, 5,000 students aged 19 and over spread their wings through us. The skills they develop give them more control over their job prospects and career progression, along with a new purpose in life.

You can do the same.

How? With qualifications that start at entry level and go right up to university and professional industry level.

There are lots of ways to learn with us. On-site and online, daytime or evening. Our distance learning courses mean you can even study as and when you are able to.

For those of you working towards a degree, we have a range of higher education courses; all with lower tuition fees, smaller class sizes and greater access to resources. As these are right on your doorstep, your travel costs are a lot less too.

No matter what your ambitions are – a job, career change, promotion, or hobby – we will be with you every step of the way, guiding and encouraging you.

**Apply now and see what happens
when you spread your wings.**

OUR VENUES

Wisemore

Our main campus includes bespoke areas for the study of business, creative arts, health, public services and computing. There is also a performance area, motor vehicle workshops, a hair and beauty training salon and nursery.

📍 **Littleton Street West, Walsall, WS2 8ES**

The Hub

An all-in-one venue with a restaurant, gym, sports hall, conference and meeting room facilities, as well as opportunities for start-up advice and business training.

📍 **Littleton Street West, Walsall, WS2 8ES**

Green Lane

This centre for construction training has simulated workshop areas for trades including painting and decorating, brickwork, carpentry, and service industries such as electrical, gas and plumbing.

📍 **Long Acre Street, Walsall, WS2 8HX**

Digital Engineering Skills Centre (DESC)

Our £2m centre includes the latest equipment to meet the needs of the engineering and construction industries. These include 3D printing technologies, robotics, industry 4.0 technologies, programmable logic controllers, CNC machines and high specification computers for industrial design processes.

📍 **Portland Street, Walsall, WS2 8AB**

Hawbush

Adult students can study everything from maths and English to horticulture, health and social care, construction, retail. Students can also receive support with finding their next job.

📍 **Beeches Road, Leamore, Walsall, WS3 1AG**

Whitehall

This community-learning hub provides learners with opportunities to develop their functional maths and ICT skills. It also provides classes in community interpretation and ESOL reading, speaking, listening and writing.

📍 **Weston Street, Walsall, WS1 4EQ**

Cannock

This satellite campus based at Tradmark House offers free courses for unemployed aged 19 and over who want to improve their job prospects.

📍 **Trademark House, 5 Hyssop Close, Cannock, WS11 7XA**

Broadway

Exclusive to music students, this building just off Wisemore Campus is the ideal environment for trainee production and performance artists to thrive.

📍 **Littleton Street West, Walsall, WS2 8ES**

APPRENTICESHIPS

An Apprenticeship is a brilliant first step on the career path in many businesses. They are an excellent way of gaining nationally recognised qualifications whilst earning a wage, and combine practical 'hands-on' experience with academic knowledge.

You can study

The level of Apprenticeship Standard you can apply for depends on what qualifications you have. You can progress from level 2 to level 7.

How do you become an apprentice?

You might already be employed but if not, to find vacancies go to www.apprenticeships.gov.uk

If you are already employed

This is a great way to upskill or learn new skills to further your career. To find out more contact us at **01922 651129** or check out www.instituteforapprenticeships.org

How much can you earn?

The National Minimum Wage for apprentices is £4.15 per hour, but many employers pay more.

What are the entry requirements?

Typically 4 GCSEs at Grade C/4 or above, including Maths and English, or a NVQ in a related subject, but each standard has different entry requirements so check with our Apprenticeships team.

What if you don't meet the entry criteria?

Don't worry, there are a number of routes you can follow to help you get the required skills to do an Apprenticeship. Please come in to the college to the Job Shop or call **01922 651129** and we can discuss your options.

ARE YOU AN EMPLOYER?

Walsall College offer a **FREE recruitment service** to find the right apprentice for you. This could be for up-skilling your existing staff or allowing us help you recruit fresh new talent that will enhance your workforce. With new funding opportunities available from August 2020 until January 2021 with up to:

- £2,000 for hiring a new apprentice aged 16 to 24
- £1,500 for hiring a new apprentice aged 25 and over
- £1,000 grant per trainee for employers who take on new trainees aged 16-24 in England

Beth completed a **Level 3 Dental Nursing Apprenticeship**.

She is now a Practice Manager at Barnt Green Dental Centre and Alvechurch Dental Practice.

I felt enthusiastic throughout my Apprenticeship. It was a testament to how well I was doing at my job. I found it rewarding to hear a patient say how happy they were with the treatment and service they received. I've always found my lessons interesting and the tutors are great. The structure of the Apprenticeship was good too – a combination of coursework and exams.

BLENDED LEARNING: ONLINE AND ON CAMPUS

mindful
education

We appreciate that the pace of everyday life is getting faster, which is why we've looked for new ways of teaching - ways that make it easier to study alongside work and life commitments.

We have worked in partnership with Mindful Education to create a suite of blended learning courses that provide flexible study options, combining online learning with face-to-face lessons in the classroom.

Our range of part-time professional courses offer the best of both worlds, requiring less time in college than traditional classroom-only courses, and allowing learners to choose how, when and where they want to study.

Note regarding Coronavirus (COVID-19): Due to the nature of our Online and On Campus courses, with key concepts being taught online through high-quality video lectures, students are able to continue their studies seamlessly with social distancing in place. Some of the regular 'On Campus' lessons can be replaced by remote 'virtual classroom' sessions led by college tutors. This flexible approach can be easily adapted to suit government guidance and college policies.

LVL 2	AAT Foundation Certificate in Bookkeeping	£720
LVL 2	AAT Foundation Certificate in Accounting	£1265
LVL 3	AAT in Accounting	£2573
LVL 4	AAT Level 4 Professional Diploma in Accounting	£2573
LVL 3	CILEX Certificate in Law and Practice	£1265

STAY LOCAL GO FURTHER

UNIVERSITY LEVEL COURSES

5 REASONS TO STUDY HIGHER EDUCATION AT WALSALL COLLEGE

1. SPEND LESS

Study our HNC/D and top-up degree courses at a fraction of the price of university with no compromise on quality.

2. ACHIEVE MORE

Our close industry links will help you get the skills that employers are looking for and put you on course to the career you want.

Stay local and go further with our HE courses. With smaller classroom sizes and lower fees than most universities. Our degrees are delivered in conjunction with Birmingham City University.

3. FANTASTIC FACILITIES

£76m invested in 5 state of the art campuses over the last 6 years.

4. SMALL CLASS SIZES

Our lessons are taught in small classes increasing the one-to-one support from your lecturer.

6. 3 YEARS = 3 QUALIFICATIONS

You can progress from a number of our HNC programmes, all the way to degree level.

ACCESS TO HE

Want to study for a degree, but don't have the qualifications?

YOU CAN!

A route to Higher Education study for adult learners.

An Access course offers the perfect stepping stone towards our higher education courses. Our Access to Higher Education Diplomas are a great way to get you into higher education. Aimed at adults over 19 years old who didn't get the grades they needed first time round or are looking to change career path.

They provide the equivalent to A-level qualifications and are designed to lead you straight to university and help you increase your future earning potential.

OUR ACCESS TO HIGHER EDUCATION COURSES:

Skills for Further Study (Pre-Access)
Pre-Access to Business Management & Law
Access to Higher Education Diploma: Education
Access to Higher Education Diploma: Health
Access to Higher Education Diploma: Social Work
Access to Higher Education Diploma: Science
Access to Higher Education Diploma: Computing
Access to Higher Education Diploma: Business and Management
Access to Higher Education Diploma: Business and Law

Please note: For these Access to Higher Education courses, please apply direct to Walsall College, do not apply through UCAS.

Full time = 14/15 hours per week for one year, approx 3 days.

LOANS AVAILABLE

If you are aged 19 or over, you could take advantage of an Advanced Learner Loan to cover the cost of an Access to Higher Education Diploma. If you go on to successfully complete a Higher Education course you don't have to pay back your Access loan.

For further details, please contact our Student Support team on: 01922 657000

Studying a degree at college had its advantages. The fees were half what they would have been if I'd gone to university. And the level of support from my lecturers has been brilliant. I was never made to feel I was on my own. It meant I could achieve in the best possible way.

David Dwyer,
Fashion Design BA (Hons)

I grew up thinking I wasn't clever enough for university - now look at me! My message now to anyone thinking about further and higher education is to just go for it. Follow your dreams - you never know what might happen until you try.

Sindy Weals,
HND Photography

I was shy when I first came to college. I wouldn't talk. It got easier because the college is so nice, everyone is friendly. By practicing my English with my children I can see how I have got better at it. I'd like to study beauty or childcare in the future.

I'm passionate about meeting lots of children and helping them achieve. Walsall College is very aware of the needs of deaf students, so they provided me with all kinds of help.

I was initially worried that my Level 3 course might be too much of a challenge for me, but I made sure I was focused and then achieved the grades I wanted. I'm proud of this.

Loreta Vizule,
Level 3 Diploma in Childcare and Education

The environment and facilities are really good. I'm planning to complete my full degree at the college, then look for work. There are already a lot of software development language-based roles out there so there's lots of choice. I feel like I'm getting all the experience I need for my career here.

Muskan Shrivastava,
HNC Software Development

The course gave me a new 'get up and go' attitude. The first interview I went for afterwards led a job offer that very same day.

David Pagett

Level 1 Introduction to Retail

FREE SUPPORT

to help you move forward

Is your health condition, physical disability, learning difficulty/autism holding you back? Need support to move forward, build confidence and achieve your goals? Over 25?

Our friendly BBO Bridges team is here to help. Work with us on a 1:1 basis or join our **"It's All About You"** Workshops.

Our experienced team can support you to:

- Think about your goals and dreams
- Find out what you enjoy and what you are good at
- Look at how to use your skills and gain new ones
- Build your confidence and self-esteem
- Find new things for you to try
- Explore and prepare for paid or voluntary work

BRIDGES is funded by the European Social Fund and the National Lottery Community Fund

To find out more please call **01922 657000** or email info@walsallcollege.ac.uk

DISCLAIMER: Our prospectus, college documents and website are simply here to offer a guide. We accept no liability for any inaccurate statements and are not responsible for any negative outcomes if you rely on an inaccurate statement. When you sign forms and accept a place at the College, you agree to abide by College rules and any changes made to them, and accept that we have the right to reject applicants. You also accept that there are certain circumstances that could prevent us from providing some services or programmes. These are: changes in Government funding policy; low class numbers; severe weather conditions; severe damage to buildings; circumstances which may affect the health and safety of staff and/or students, or any other relevant circumstances outside the reasonable control of the College. In these cases, we reserve the right to withdraw any programmes or service. If we close the course within four weeks of the start date, we will give you a full refund. Although every effort is made to ensure accuracy and reliability of information in this guide you should be aware that times, dates, costs, provision and other details may change subject to change without notice.
